Leading Alternative Fuel and Clean Vehicle Companies to Sponsor 2013 Alternative Clean Transportation Expo

*North America's largest alternative fuel and clean vehicle technology show receives support
from a broad spectrum of advocates*

SANTA MONICA, Calif.—Feb. 27, 2013—Gladstein, Neandross and Associates, organizers of the Alternative Clean Transportation (ACT) Expo, announced the sponsors for this year's conference, set to take place June 24 – 27, 2013, in Washington, D.C.

ACT Expo is the biggest convergence of clean transportation stakeholders in North America, attracting thousands of decision-makers and purchasers of alternative fuel and clean vehicle technology—including fleet managers, procurement specialists, maintenance directors, engineers, policy makers, and many others. The event represents all alternative fuel types and clean vehicle technologies including electric, hybrid-electric, hydrogen, natural gas, propane autogas, renewable fuels, hydraulic-hybrid, [SmartWay](#) technologies and more.

This year's presenting sponsor is the [Propane Education and Research Council](#), an organization that promotes the safe and efficient use of propane autogas as an energy source. Platinum sponsors for the 2013 ACT Expo include leading OEM truck companies [Freightliner Trucks and Freightliner Custom Chassis](#), [Kenworth Truck Company](#), [Volvo Trucks](#), [Navistar](#), and [Peterbilt Motors Company](#); [Shell](#), a leading provider of liquefied natural gas as a fuel; [Ryder](#), a leading provider of leasing, truck rentals, used vehicle sales, maintenance, fuel and safety services; and [Fleet Owner magazine](#), one of the premier publications for executives and managers of commercial-trucking fleets.

Additional participating sponsors and exhibitors for the 2013 ACT Expo include:

- [American Honda Motor Company](#)
- [Chart Industries](#)
- [Commercial Carrier Journal](#)
- [dHybrid](#)

- [Ford](#)
- [General Motors](#)
- [Mack Trucks](#)
- [Penske](#)
- [VIA Motors](#)
- [Westport Innovations](#)

In addition to these sponsors, more than 150 [exhibitors will participate](#) in the 2013 ACT Expo representing vehicle, equipment and engine manufacturers, technology providers, fuel suppliers, and infrastructure developers. The three-day conference will also include keynote speakers, plenary and breakout sessions, networking events, a ride and drive event, and off-site technical tours.

The 2013 ACT Expo is presented in conjunction with event partner the U.S. Department of Energy and will commemorate the 20th anniversary of the agency's Clean Cities program, which supports local actions to reduce petroleum consumption in transportation.

About Gladstein, Neandross & Associates (GNA)

GNA is a leading North American consulting firm specializing in market development for low emission and alternative fuel vehicle technologies, infrastructure and fuels for both on and off-road applications. GNA provides strategic market analysis and planning, technical assistance, and public affairs and policy support to clients in the private, public and non-profit sectors. For 20 years, GNA has pioneered the nation's largest and most innovative alternative fuel vehicle projects, including the development of several successful clean fuel corridor projects. In addition to its consulting practice, GNA hosts two of North America's leading alternative fuel and advanced vehicle technology conferences—the [Alternative Clean Transportation \(ACT\) Expo](#) and the [High Horsepower \(HHP\) Summit](#). GNA maintains two primary offices in Santa Monica, Calif., and New York, New York. www.gladstein.org
